

Ben Franklin: The American Dream

*Rising from humble beginnings to become a World-Renowned
Writer, Inventor, Public Servant and Statesman*

Benjamin Franklin
As portrayed by Christopher Lowell

*An ordinary man with extraordinary
accomplishments. The most
fascinatingly versatile of our Founding
Fathers.*

As the fifteenth of seventeen
children in a relatively poor,
immigrant family, he became the
American Dream.

Relying on hard work, frugality,
ethical living, resourcefulness
and brains, Ben Franklin
became the best known
American of his times,
compared to Newton for
scientific importance and
George Washington for political
contribution.

“Thank you for your energetic, polished Ben
Franklin performance. We all loved it and
learned a great deal, both about Ben Franklin
and about the American Dream!”
